Delta Dental gives you the freedom to visit the dentist of your choice and to select any dentist on a treatment by treatment basis. It is important to remember your out-of-pocket costs may vary depending on your choice. You have three options and the information below describes what you can expect depending on whether you receive services from a Delta Dental PPO dentist, a Delta Dental Premier dentist or a non-participating dentist.

## In PPO Network

### 1. Delta Dental PPO Network\*

Comprised of a select panel of dentists, over 97,000 dental offices participate in the Delta Dental PPO program. Delta Dental will provide the highest level of benefits (see benefit highlights) for covered services when care is received from a Delta Dental PPO dentist. These dentists agree to:

- **Accept payment based on a reduced fee schedule** – reducing your out-of-pocket expenses – **with no balance billing for charges that exceed the fee schedule.**
- Submit dental claims for members and abide by Delta's policies.
- Charge members only their deductible, co-insurance, and costs for non-covered services at the time of visit because Delta Dental pays the dentist directly.

**\*Your out-of-pocket expenses will be lowest when you see a Delta Dental PPO dentist.**

## In Premier Network

### 2. Delta Dental Premier Network

Comprised of over 174,000 participating dental offices, Delta Dental Premier offers you greater access to dentists while still offering the advantages of a network. These dentists have participating agreements with Delta Dental which require them to:

- **Accept payment based on Delta's contractual agreement** – which means **no balance billing** for charges that exceed the contracted amount.
- Submit dental claims for members and abide by Delta's policies.
- Charge members only their deductible, co-insurance, and costs for non-covered services at the time of visit because Delta Dental pays the dentist directly.

**If your dentist is not a Delta Dental PPO dentist but is a Delta Dental Premier dentist, your benefit will be based on the Premier benefit level; however, you will receive the cost control and claims filing advantages noted above.**

## Out of Network

### 3. Non-participating Dentist

If you receive services from a non-participating dentist (does not participate in either Delta Dental network) benefits for covered services are based on the Delta Dental maximum plan allowance and :

- You will be responsible for filing your own claim forms.
- Delta Dental's benefit payment will be made directly to you.
- You will be responsible for the difference between the dentist's charge and the maximum plan allowance.

**Your out-of-pocket expenses may be more when you use a non-participating dentist.**

### **Locating a Participating Dentist...**
